Providing weekly communion for members unable to attend regular worship has been an Elder's ministry. This ministry should be based on spiritual giftedness. As we work through the spiritual gifts inventory, the schedule for the balance of the year will be filled.

The Elder's visitation log is located in the cabinet behind the church secretary's desk. Please initial and date the appropriate page for each visit

Take printed copies of the weekly sermon, copy of the Upper Room devotional and a copy of last week church bulletin.

If you are unable to visit during your scheduled week, contact another Elder for assistance.
